## THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of North Hampton in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said North Hampton on Tuesday, the Thirteenth (13th) day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation for the same.

3. To see what action the town will take regarding the accepting of State Aid for Post road and appropriate money for the same.

4. To see what action the Town will take in regard to appointing a Zoning Commission to make recommendations and a preliminary report in regard to zoning districts and regulations for the Town, and to hold public hearings on such preliminary report, after which to present a final report for consideration at a later Town Meeting, all as provided in Section 53 of Chapter 42 of the Public Laws.

5. To see whether beer or other lawful alcoholic beverages shall be manufactured or sold locally as permitted under this Act.

6. To see what action the Town will take in regards to Hearse Hire.

7. To see what action the Town will take in regards to the improvement and care of public grounds, and appropriate the sum of \$100 for the same.

8. To see what action the town will take in regard to insuring the Fire Station and appropriate money for the same.

9. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 15th day of February, in the year of our Lord, Nineteen Hundred and Thirty-four.

HERMAN L. NORTON,  
JOSHUA F. DRAKE,  
IRVING W. MARSTON,  
Selectmen of North Hampton, N. H.

## REPORT OF LIBRARY TRUSTEES

During the past year 205 new books have been added to the library and of this number 163 were fiction. The library now contains about 3,500 volumes of which about 2,250 are fiction. Our book stacks are becoming very much congested and if our library is to function properly we must in the near future discard all obsolete books and also at the same time make up a new and revised catalog. This work must be done as soon as funds are available. In addition to this work there should be provided a drain for the cellar of the library building.

The expenses for the past year were as follows:

Salary of Librarian	\$150.00	
New Books	175.79	
Magazines	13.75	
Fuel	14.05	
Lighting	15.82	
Janitor Service	18.50	
Care of Library and Grounds	23.75	
Miscellaneous Supplies	22.74	
		<hr/> \$434.40

We estimate the expenses for the coming year as follows:

Salary of Librarian	\$150.00	
New Books	185.00	
Magazines	10.00	
Fuel and Lighting	40.00	
Repairs and Miscellaneous	55.00	
Insurance	60.00	
		<hr/> \$500.00

We therefore recommend that this amount be appropriated.

# SCHOOL REPORT

## SUPERINTENDENT'S REPORT

To the School Board of North Hampton:

I, herewith, submit to you my fourth annual report as Superintendent of Schools.

During the early Autumn of the current year teachers' meetings were held in all towns of the Union to formulate a plan of survey and procedure which would continue for a number of years. By this plan one subject will be surveyed each year to determine our strengths, in order that we may not lose ground, and also to determine those points where gains should be made. As a result of these meetings the work of the school was laid out in five different fields, each field assigned to a definite year for special investigation and endeavor. By vote of all teachers the special field this year is English. To ascertain our present position several tests were given in all schools. By using the results thus obtained we are enabled at once to enter a definite line of advancement. We believe, as a result of this procedure, both the path which we should follow and the ends to be reached will be made more definite.

The statistical report following shows the data on school attendance. The percent of attendance is 95.24. While this is a good average it is the lowest during the past four years. The prevailing illness of last year is in great part responsible for this rating.

During the past four years there has been but a small drop in the number of pupils registering in your schools. The enrollment from 1929 to 1932-33 follows:

Pupils enrolled in the North Hampton Schools.

	1929-30	1930-31	1931-32	1932-33
Boys	47	44	44	40
Girls	40	38	40	41
	—	—	—	—
	87	82	84	81
Repeated			2	
Registration	1	5		2
	—	—	—	—
Total	88	87	86	84

The Schools and the Depression

During times of business depression an increasing burden is placed upon the schools, not only to see that the school dollar is economically spent but that the welfare of the children is carefully guarded. The national emergency relief has helped the schools in this latter obligation. Every child in attendance at North Hampton schools who is underweight, to any appreciable extent, has been furnished one-half pint of milk daily since the first of November. It is expected that this distribution will continue through the present school year. Fourteen children in North Hampton have received this service. As a result we find these children, practically without exception, gaining in weight and in vitality.

An extension of this service is the distribution of cod liver oil to pupils in need of it. Funds are now allotted from the Federal Relief Administration for the furnishing of free school lunches to the pupils whose parents are out of work and therefore cannot really afford suitable lunches for their children. The number of such children is, fortunately, small in North Hampton.

These new activities have placed an added responsibil-

ity upon the work of the school nurse. The deciding factor in all cases is the physical welfare of the child. The nurses have willingly given extra time and acquired increased expense to see that all children secure the benefits to which they are entitled.

### The Adult School Movement

One of the results of increased unemployment and of shortened hours of labor is the tremendous increase in adult education work. Classes for adults are being established by the thousands under the sponsorship of the federal government. While, at the present time, this work is wholly national in administration I am sure that a large part of this work will be adopted as a recognized obligation of the regular school system and that adult classes will be established in the majority of towns and cities. There seems to be but one reason that children go to school and adults do not. That reason is that children have the time to attend. This reason will not have force in the future—is not true at present. Time there is. Adults owing to increased incentive can be taught more efficiently than young children. Adults know their own capacities and their own abilities. Adult education is a most productive and most economical form of instruction. The adult school in Hampton is attended by several of the North Hampton people. I feel sure they are enthusiastic as to the results.

The progress of our graduates as shown by reports sent to the office in Hampton is gratifying. We have pupils in three different secondary schools. This fact furnishes a strict check upon the efficiency of the work of our teachers. The classes cannot be a narrow preparation for one particular view point as expressed in one particular school. The courses must be broadening, widely-inclusive and real-

ly educative. Your schools have met this test, your children rating above the average when placed in positions paralleling others of like age and grade.

The North Hampton Parent-Teacher Association is a source of pride to the schools, and I am sure, to the people of the town. Such a strong organization bespeaks continued progress for the school system with which it is allied. Parent interest assures good schools.

I wish to express to you my appreciation of kindly advice and help received from you as a board. My contacts with pupils, teachers and citizens has been uniformly pleasant.

Respectfully submitted,

ROY W. GILLMORE.

Superintendent.
